

# NATIONAL AND STATE EXIT POLLS

# ROPER

CENTER

For Public Opinion Research

---

Roper iPoll is **the** repository for all U.S. Primary and Election Day National and State Exit Polls conducted by media organizations and consortiums.

---

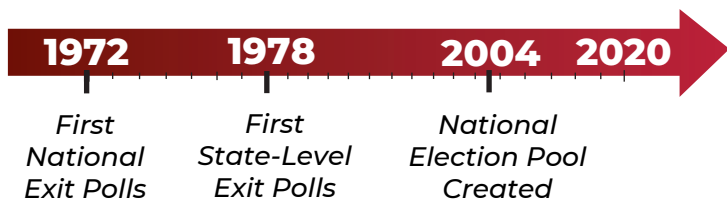

*National exit polls include questions on:*

- ★ Presidential and/or congressional votes
- ★ Gubernatorial races
- ★ Important issues affecting the vote decision
- ★ Presidential approval

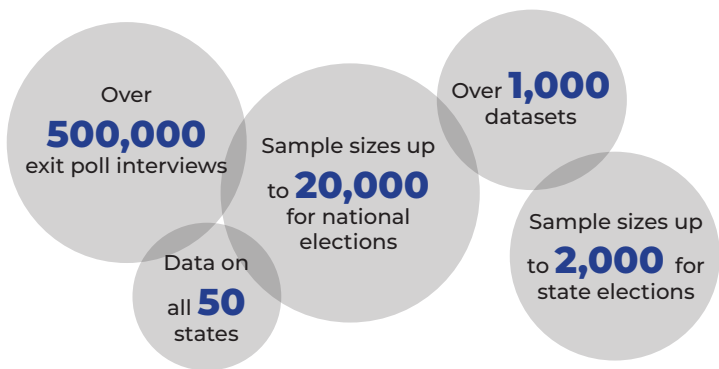

*State exit polls include questions on:*

- ★ Congressional and/or gubernatorial votes
- ★ Important statewide and local issues

# Decades of data

## Unparalleled statistics

*Roper iPoll is an **essential** resource for faculty, students, journalists, and anyone interested in American politics and government. **No other database** has the wealth of **more than 750,000** polling questions asked **since 1937** on **every conceivable topic**. It is simply **the best** gathering of public opinion data out there that chronicles the extraordinary life of our democracy. **A must!***
